Why Choose Encore?

Encore Video Services is a professional production facility that has served Orange County and adjoining areas since 1984. During those years, Encore has earned a reputation for artistic excellence, moderate cost and complete reliability.

Encore uses broadcast quality cameras and editing equipment, with skilled use of telephoto lenses, special filters and lights to create beautiful pictures in natural color.

True-to-life sound is captured with broadcast quality wireless microphones on four channels of audio. The microphones are close to the "action" and the music. We believe a great picture deserves great sound.

Encore videographers are discreet, experienced and well dressed. Our editors are adept in the use of music, special effects and computer graphics to create a memorable production.

Encore offers packages to suit every budget. All packages are videotaped in High Definition. Titles and music are included. As a special bonus, all packages include three DVD copies for you to lend, send or just hold on to for safekeeping.

All video is recorded in Hi-Def.

* Visit encorevideoservices.com for full descriptions. Prices are subject to change.

Bar Mitzvah Packages*

Encore Video Services staffs professional Bar/Bat Mitzvah videographers with 20 years experience.

Your special day will be digitally recorded by award-winning experts in the industry, and professionally edited at Encore Video's main facility in Orange County, California. Your finished production will be beautifully packaged and suitable for distribution.

Here at Encore Video, we believe that the future of Judaism depends on the education and commitment of its young people. That is why we take a special pride and pleasure in covering a Bar/Bat Mitzvah.

May your special day be happy and memorable. Mazel tov!
